### **Sponsorship Options:**

#### **\_\_\_\_\_ Heat Sponsor - \$150**

With close to 200 boat entries in the Regatta each year, there is no way all of the boats can compete at the same time. The Regatta is divided into many heats where four or five boats compete at one time. Each individual heat has a separate sponsor. If you choose to become a Heat Sponsor your business will be mentioned during a heat, you receive one Corporate Regatta Shirt, VIP admissions.

#### **\_\_\_\_\_ \*Commercial Boat Sponsor - \$150**

Becoming a **Commercial Boat Sponsor** is the most popular way for a business to take part in the Regatta. By becoming a commercial boat sponsor you maximize the opportunity of having your business seen by potential customers. The Regatta draws between 4,000 & 6,000 spectators annually, plus depending on your creativity you could end up on the front page of the paper. With a Commercial boat sponsorship you get to enter one boat into the race with your business logo on it, one Corporate Regatta Shirt, VIP admissions.

\* An easy to build, premeasured boat kit is available for an additional \$85 donation to the ACCR. To reserve your kit, contact [info@cardboardcup.com](mailto:info@cardboardcup.com)
